

ON-DEMAND WEBINAR

Problematic Use of Cannabis

With **Dr. Zachary Walsh,**
PhD, R. Psych

Objectives:

At the end of the session, participants will:

- Understand issues in the identification of cannabis use disorder.
- Appreciate the importance of co-occurring conditions in the clinical presentation & differentiation of cannabis use disorder.
 - Understand potential harms associated with cannabis use.
- Understand how intersecting aspects of identity might moderate the impact & presentation of problematic cannabis use.
 - Be introduced to approaches for reducing or preventing cannabis related harms.
