## NURSING WEEK WEBINAR

As we celebrate **Nursing Week** this year, we find ourselves at a pivotal moment in healthcare, where traditional boundaries of the profession are rapidly expanding and the healthcare industry faces significant structural challenges. These complexities are simultaneously opening doors to unprecedented opportunities in nursing leadership, specialized clinical practice, and non-traditional roles to those ready to shape the future of modern Nursing;

Our webinar features *four* exciting speakers that we'll be interviewing - each with a unique view of our working worlds.

**Stacey Holloway BScN:** Vital Signs: The Health of our Health Care Organizations

**Linda-Ann Elobuike:** Nurses Stay Where They Feel Seen: How Every Nurse Can Help Build a Culture of Retention

**Dr. Shazma Mithani, MD, FRCPC:** Life support: View from the ER & Some Thoughts about "The Pitt"

**Hanna Varto MN, NP, SANE- A** Closer Look: Forensic Nursing - a Non-Traditional Career Choice

*No purchase is necessary*

Two door prizes will be drawn from our live audience: \$50 Health Links Education gift card and \$50 Dining gift card.

The webinar will include an *attendance certificate* & on-demand recording available for *30 days*.

You'll also receive a free \$10 gift card when you register that you can apply to any workshop, webinar, or merchandise that we offer.
